Atlantic City Electric Names 2010 Golf Event Beneficiary *The Arc of Atlantic County to Receive Funds Supporting Local Families in Need*

MAYS LANDING, N.J. - Atlantic City Electric recently announced The Arc of Atlantic County as a primary beneficiary of its Fifth Annual Fall Charity Golf Classic. Proceeds from this year's event also will be donated to The Special Olympics and Tri-County Community Action Partnership.

“Since its inception in 2006, the PHI Community Foundation's Atlantic City Electric Fall Charity Golf Classic has raised nearly a half million dollars for nonprofit organizations in South Jersey,” said Atlantic City Electric Region Vice President Charlie Wimberg. “We recognize the vital role that The Arc plays in providing residential, recreation, vocational and family support programs for individuals with intellectual and developmental disabilities and their families and we look forward to supporting their efforts.”

“This donation will make a tremendous difference in our capacity to serve the more than 700 people and their families who depend on our programs each year. We are deeply grateful to have been selected as a beneficiary of Atlantic City Electric’s 2010 Fall Charity Golf Classic,” said Deborah Davies, CEO of The Arc of Atlantic County.

This year’s title sponsor is Cooper Levenson. The presenting sponsor is Montgomery, McCracken, Walker & Rhoades, LLP and the platinum sponsors are Kline Construction and IBEW Local Union 351.

The 2010 Atlantic City Electric Fall Charity Golf Classic event will be held September 27 at the prestigious Galloway National Golf Club in Galloway Township, New Jersey. Galloway National is a world-class private, 18-hole championship golf course rated in the top 100 by Golf Digest.
