The MBCA 2010 Community Service Award Recipient

Accepting the Award for Harrah's Entertainment; Mr. Don Marrandino, President, Eastern Division

Mr. Marrandino is well known for his innovative entertainment strategies. Throughout his career, he has shown an unwavering dedication to service. His energy and unique vision brings new enthusiasm to the hard working and talented teams in Atlantic City. Don's return to Atlantic City is a homecoming since he is an Atlantic County native. Harrah's Entertainment has been in Atlantic City for over 20 years and now includes Harrah's Resort, Caesars, Showboat and Bally's. Harrah's has contributed to many area non profits, education programs, senior programs as well as a major contributor of AtlantiCare's expansion in Atlantic City. They embody the true "community spirit" of corporate giving in our region. Besides financial contributions, they have established a Hero Program which is based on Harrah's employees volunteering for local civic and charitable events. This community spirit is appreciated by many in our region.

The MBCA is proud to honor Harrah's Entertainment.

The Metropolitan Business and Citizens Association cordially invites you to attend our 20th Anniversary Installation Awards Gala Tuesday, October 26th, 2010
